If you should ask a Kansas City man as to the most elegant and popular barber shop in the city he would unhesitatingly say—The Palace Barber Shop at 1516 East Nineteenth street (near Vine) owned by that prince of good fellows—Prof. J. C. Hobbs—who, also, has next door one of the neatest and best kept Pool Halls in town.

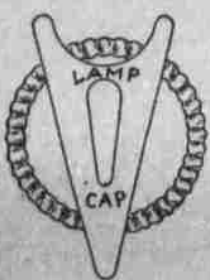

Prof. Hobbs employs only the BEST workmen, T. D. Henderson, Henry Hobbs, David Robinson, W. T. Scott, and H. A. Peace, while he himself is a barber of acknowledged ability. Ernest Turner, the best known porter in Kansas City, looks after the comfort of his patrons with Miss Mary A. Woodson, the neat and capable cashier. Prof. Hobbs is also Kansas City's most popular dancing master, being manager of the People's Dancing Academy, which dances every Thursday night at Lyric Hall, 1781 Lydia avenue, all the latest dances. Particular attention may be given to the following subject, since there are hundreds of thousands using the Eureka Comb throughout the United States and Isles. They give the best of satisfaction as to our recommendation, straightening the hair beautifully with one stroke, and as assistance in causing a rapid growth. Evidences coming to us from every source, of which is pleasing, that the Eureka Comb performs precisely as advertised.

No better comb on the market for purposes as we have been advised that other combs are toys, when it comes to benefits and effectual influences when used as to directions, for which every comb placed goes with it instructions, how to use and for what purposes. Wherever introduced the Eureka comb is successful. Merchants and agents are successful when they are placed conveniently in quantities for the public.

They are usually sold for \$1.50 (one dollar and fifty cents) each complete. The only thing is to be careful in the purchase as there is no other comb that will answer the purposes so well as the Eureka. We wholesale the Eureka Comb, being the manufacturers and promoters, and are the only wholesalers of this special device; if there are others we would be pleased to be informed.

The device is patented and registered. For prices and further information write

### TURNER-WRIGHT WEDDING.

One of the most beautiful weddings of the season was that of Miss Bernice Anna Wright, the charming niece of Mr. and Mrs. Penn Hawkins of 409 East Elm street, Independence, Mo., and Mr. Lionel Turner, the youngest son of Mr. and Mrs. Ed. Turner, also of Independence, which was solemnized at 8 o'clock Monday evening, June 29, at the M. E. Church. Rev. J. Will Jackson performed the ceremony on the altar in front of a cross which was beautifully decorated. Before the arrival of the bride party Miss Flora Kyles played an instrumental selection and Miss Rowena Brown sang "O Promise Me," followed by the wedding march played by Mrs. John Wright. The bride, who was escorted and given in marriage by her uncle, Mr. Ike Wilson, of Kansas City, Mo., wore a gown of white silk with a shadow lace bodice, and her veil of tulle fell from a cap of point lace, caught with a wreath of orange blossoms. She carried a bouquet of bridal roses. Preceding the bride was the little flower girl, Voudelle Raglan, who carried the wedding ring concealed in a bouquet of roses. The maid of honor was Miss Mayme C. Raglan. The best man was Mr. Percy C. Turner, the brother of the groom. After hearty congratulations were received from their many friends, the happy couple left for their home, 409 East Elm street, Independence, Mo. There were many beautiful and valuable presents received said to be worth over \$150. Their many friends wish for them a long and happy married life.
